

**Providing Public Address System to Government Higher Secondary School, Kattupalli as part of Corporate Social Responsibility (CSR) activity**

IndianOil LNG Private Limited a Joint Venture company is in process of setting up 5MMTPA LNG Storage and Regasification Terminal inside Kamarajar Port Limited, Kattupalli, Chennai. The terminal is set for commissioning in the last quarter of 2018. Under Corporate Social Responsibility, the IndianOil LNG Private Limited is committed to work towards improvement in the living conditions of local population near the project, particularly in the areas of health & hygiene, civic amenities, infrastructure, education & training, water supply etc.

Government Higher Secondary school, Kattupalli has requested IOLPL to provide Public Address system for the school. The total strength of the school is 200 and they don't have any means of Public Address system for mass communication. On the request, IOLPL has provided Public Address system comprising of Mixer Amplifier, 2 nos. Speakers and 2 nos. microphones at a cost of Rs.21,045/- (Rupees Twenty One Thousand and Forty Five only) on 05-12-2018.
